

# TIP TOP MOVERS

## Moving Tips

- ✔ Get boxes and supplies (tape, bubble wrap, markers, box cutters, and scissors) well ahead of time.
- ✔ Get wardrobe boxes for clothes that you don't want to fold or wrinkle. (These can be rented from TTM for a nominal fee as loaners during the move, if you don't want to own)
- ✔ Don't pack boxes that are too heavy. Pack heavier items, like books, in smaller boxes.
- ✔ Be sure to have box tops closed with tape. Open top boxes don't travel well and invite damage.
- ✔ Label each box with its contents, and the room where it's supposed to go.
- ✔ Use your luggage to pack light and non-fragile items like bedding, towels, and clothes.
- ✔ Put valuables, like jewelry and important documents, in a safe place.
- ✔ Leave your utilities on an extra few days at your old place, and start utilities a few days early at the new place to guarantee a smooth transition.
- ✔ Don't forget to set up mail forwarding with the post office.
